June 16, 2014

Members Present: Bob Davis, Peggy Watt, Lori Feehan, Linda Rinaldi, Scott Alderson

Members Present by Phone: Lori Bate

Members Absent: Ginger Black

Others Present: Mike Parades, Community Manager

The meeting was called to order at 3:05 pm.

Upon motion made and seconded, the minutes of the 5/21/14 meeting were approved.

Bob discussed proposed amendments to the 4/16/14 minutes and asked for a motion to approve as revised. Upon motion made and seconded, the revised minutes were approved.

Bob discussed the upcoming Town Hall Meeting. He asked all members of the Committee to try and attend. General discussion followed on possible topics that might be raised at the meeting.

The Committee discussed the question of which covenants, bylaws and rules are most important to the majority of Titleholders. The Committee would like to direct its energy to the issues that are of greatest concern to I'On and, in doing so, know that the community supports the work of the Committee. Bob noted there has been some discussion within the BOT of developing an appropriate survey to help determine what the neighborhood regards as priorities. After significant discussion, the Committee determined that it would like to take the lead and move forward with such a survey. Lori F volunteered to work with Tom O' Brien on the design and implementation of the survey and Bob will discuss this with the full Board of Trustees at the meeting scheduled for June 26. The Committee scheduled its next meeting date of July 7 with the intent of beginning the necessary work for the survey at that time, assuming Board approval.

There being no further business, the meeting adjourned at 4:30 pm.

Respectfully submitted,

Lori Feehan
