

Hello!

The I'On Assembly is committed to making every new resident feel welcome in I'On and at home. To make that happen, we need your help! I'On streets are designed to be very narrow with cars often parked on one or both sides of the street. For this reason, large moving vans simply cannot navigate the streets of I'On without causing damage to trees, curbs, and sometimes vehicles. Please know moving vans more than 45 feet with large cabs are not allowed in I'On. We realize many folks move over several states and must use larger moving vans to reach the Charleston area. These individuals should reach out to the local affiliate to have their large moving van's contents move into smaller trucks for their move into the neighborhood. We appreciate your cooperation in this matter. Please feel free to contact our office at any time with any questions or concerns you may have.

Sincerely,

Jessica Gosnell, CMCA, AMS
