Lot description/information:

Application Requirements: Please refer to the New Construction Final review application checklist and the individual checklist for any other item(s) included in your New Home Construction application not found on the Final review checklist. Each application checklist has a list of items that must be included in the application package for an IDC review. If you have several changes/items on one application, please note that there will be some overlapping between the checklists. Landscape plans are required to be submitted with a New Construction Final review. Please refer to the New Construction Landscaping checklist for the landscaping submittal requirements. Checklists can be found on www.loncommunity.com under the IDC tab.

Important IDC information.

- 1) *IDC meetings are held the 1st and 3rd Tuesdays of the month unless otherwise noted.*
- 2) *The IDC has 30 days, from the date that a complete application was submitted, to notify you of their decision.*
- 3) *IDC approval is valid for 6 months. If an approved project is not started within 6 months from approval date, the approval expires. If an application is reviewed but not approved with additional items requested to be submitted and those items are not submitted within 6 months, the application expires.*
- 4) *Once an application or an approval expires, a new application and fees must be submitted to move forward with the proposed project.*
- 5) *Approved projects must be completed within 12 months from the initial approval date.*

The IDC approves architectural aesthetics only. IDC approval is not permission to build. A building permit from the TOMP and approval in writing from the IDC are both needed to build/install/enclose any structure on your property.
