

# Application Checklist for Solar Panels

(If submitting for solar panels only, please use the Structural Change less than 625 sq. ft. application or if combining a solar panel request for a new structural change less than 625 sq. ft.)

## Required items:

\_\_\_\_\_ Review Fee

\_\_\_\_\_ Homeowner Deposit Fee

\_\_\_\_\_ Contractor Deposit Fee

\_\_\_\_\_ **Pictures** of the house elevations (front, sides, rear) showing existing landscape.

\_\_\_\_\_ Provide **solar panel locations** - aerial views and/or architectural drawings showing location/placement on the house.

\_\_\_\_\_ **Provide Manufacturer** spec sheet with photo of solar panels & details of installation.

\_\_\_\_\_ Indicate **location of conduit** and provide picture of location and surrounding area.
