

**PLACE ITEMS LOOSE IN YOUR BLUE RECYCLE BINS
PLEASE DO NOT USE BAGS OR BOXES**

A spokesperson for Charleston County Environmental Management advises the I'On Eco Group that one of the most common mistakes in recycling is to bag or box recycle materials when placing in the blue bins. Bagged items/plastic bags can wrap around the rotors in our sorting equipment at the recycling center and create safety issues for workers.

Here is a link to a video that better details the sorting process at Charleston County's MRF.
